B-CC Rescue Squad Honored at Community Day

The new facility for the Bethesda-Chevy Chase Rescue Squad at 4602 North Park Avenue has been fully operational for more than a month. As of April 15, the facility had responded to 65 calls, most of which were within the Village of Friendship Heights. We have already received several testimonials from residents who called 911 and had the paramedics arrive from the 4602 facility within a few minutes. This was exactly the goal of having the facility here: to decrease response time for paramedics answering calls in our immediate area.

Immediately following our Community Day celebration on April 13, the B-CC Rescue Squad hosted an open house at 4602. Residents were able to tour the facility and meet the paramedics.
